

CHICAGO OFFICE TECHNOLOGY GROUP SPONSORS RADIOTHON TO RAISE MONEY FOR  
CHILDREN'S MEMORIAL HOSPITAL FOR 2<sup>ND</sup> YEAR

Bolingbrook, IL, August 8, 2008 – Chicago Office Technology Group will be supporting the 9<sup>th</sup> Annual Eric and Kathy 36 Hour Radiothon for the second year in a row. The Mix will broadcast live from the Children's Memorial Hospital lobby on August 8<sup>th</sup> and 9<sup>th</sup> to raise funds for the hospital's pediatric research, patient care and advocacy. The Radiothon has contributed over \$12 million in the past eight years and COTG is once again honored to participate in the event.

COTG is sponsoring the 36 Hour Radiothon as a way to support the community. COTG will station volunteers at the Radiothon to answer phones and collect donations for the Children's Memorial Hospital. In addition to volunteer efforts, COTG is sponsoring the Web Cam which will broadcast the Radiothon on the Internet.

Top radio personalities from The Mix will present the stories of heroic children battling critical conditions, tests and treatments and the kindness of the hospital throughout the broadcast to share their heartfelt stories with all listeners, including a personal touch from COTG. The Web Cam will air an audio and visual update of Cameron Briggs Dominick, former patient of Children's Memorial Hospital and son of COTG employee Matt Dominick. Every viewer and listener of the Web Cam can hear an update of Cameron's touching story ([www.wtmx.com](http://www.wtmx.com)).

"We are proud to support one of the top pediatric hospitals in the country," said Terry Dixon, President, Chicago Office Technology Group. "We are looking forward to supporting the Children's Memorial Hospital for many years to come."
